### **About the Book**

Harriet is a girl who has a large collection of stuffed animals. A visiting teddy, Theodora Bear, leads the other animals in a variety of attempts to boss Harriet around. It is all Harriet can do to get her own way once in a while.

### **About the author**

**Carolyn Jones** is a teacher in Coquitlam, British Columbia. Theodora Bear is her first children's book. It is set in Strathcona, Chinatown's residential neighborhood, where Carolyn lives. Like Theodora Bear, Carolyn loves to shop in Chinatown.

### **About the Writing**

Carolyn's two goddaughters, Emma and Sarah, were the inspiration for the book. They always ask for stories about Theodora, the bossy, mischievous teddy bear. In Jones' stories, the teddy bear always outsmarts the adults. Emma and Sarah often scold Theodora for the "bad" things she's done since they saw her last.

Writing the book was easy, since Jones has a large collection of stuffed animals herself.
