INTERROGATE YOUR MOBSTER

By using these questions or making up your own, interrogate your mobster and find out how they fit into the world of _Bark Twice for Murder._

I. O. — How did you come to know Carmine Carelli?
S. —

I. O. — What exactly did you do for Mr. Carelli?
S. —

I. O. — And how do you know Jimmy the Fork?
S. —

I. O. — Does the name Stanley mean anything to you?
S. —

I. O. — Jimmy the Fork was arrested for the murder of Stanley. Where were you on the night of Stanley's murder? And what do you know of Jimmy the Fork's involvement in Stanley's death?
S. —

I. O. — What if I told you we have a big bowl of minestrone soup in the other room? Would you tell me what I want to know then?
S. —

I. O. — No, we don't actually have a bowl of minestrone soup. This isn't a cafeteria. But thank you for your information. You're under arrest for conspiring with a mobster.
