Photography
Playwriting
Podcasting
Poetry
Pottery
Pumpkin Carving

Q Quilting

R Reading
Robotics

You don't have to create a masterpiece to be considered creative. You already are, by virtue of being human.

There is creativity in what you do and wear, what you watch, read, listen to, talk about and explore. It's in the tools you use, the ones you invent, and how you use them.

Next time you're looking for something to do, try one of these creative activities!

S Scrapbooking
Sculpting
Singing
Soapmaking
Storytelling

T Theater
Toy Making
