

LET'S GET CREATIVE

SCAVENGER HUNT

Find an interesting pattern in nature. (E.g. on tree bark or petals on a flower)

Find an object casting a unique shadow. Draw what you see!

Look for something that is moving (E.g. an insect or tree branch). Make a similar movement.

Find a bench, fence, building, or other human-made object that features a creative design.

Look up!
Find a cloud with an interesting shape or formation.

Look for a piece of public art (E.g. a mural). Don't see one? Find a place that could use some art!

Find an item from nature that could be useful for an art project.

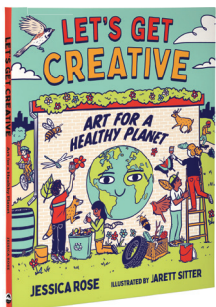

Find something with an interesting shape. (E.g. a twisted branch or snail shell).

Listen for natural sounds and describe how they might inspire a piece of art or music.

Find something in nature with a unique texture. How would you describe its features?

What's your favorite color? Find something in nature that matches it!

Observe and reflect on the nature around you. Describe how your surroundings make you feel.
