### DIGITAL SUBSCRIPTIONS

Orca Digital Subscriptions are a unique and cost-effective way to provide ebooks to an entire school or library system. What's the difference between an ebook and a digital subscription? An ebook is yours to keep forever, but can be accessed by only one reader at a time. A digital subscription is access to ebooks for a specific amount of time—one or five years—but is available to an unlimited number of readers.

With the purchase of the subscription, you get multiuser access to all of the books in your collection. The books can be accessed 24 hours a day, 7 days a week from school or home. There is no limit to how many users can read a book at the same time. You and your students can read online or download ebooks to your own devices—including smartphones.

Free trial available, email [digital@orcabook.com](mailto:digital@orcabook.com) to sign up. No credit card required for trial.

## DIGITAL SUBSCRIPTION AND PRINT BUNDLE

This is your best deal. You get all of the print titles from the Print Collection and multi-user access to every single book in that series for a year. Plus you get free new releases for the duration of your subscription. All of this comes with an additional 10% discount.

## WHAT'S THAT ABOUT NEW RELEASES??

Our **Complete Digital Subscriptions** come with free new releases. When you buy a **Complete Digital Subscription**—a one year or a five year—you get new titles added to your collection twice a year at no extra cost for the duration of your subscription.

### The collections that qualify are:

Complete Orca Soundings—P. 4, Complete Orca Rapid Reads—P. 12,  
 Complete Orca Sports—P. 14, Complete Orca Currents—P. 16,
